**“Educating the Whole Child”**  
January 20, 2014

**Right Reason Technology:**

Winter benchmark assessment results can be found at <http://roosevelt.veaonline.org>

Please print out and begin to review the following reports:

- Pro Chart
- Item Analysis
- Whole Group Plan
- Small Group Plan
- ID Chart

Use these documents to identify strengths and weaknesses. Begin to outline strategies and resources that can be used to address the deficits.

**Math Skill Intervention/AIS**

A skill intervention program was implemented on Tuesday, January 14, 2014 to address the skill deficits identified on the winter benchmark. Morning math AIS will begin on Thursday, January 23, 2014 for grades 3, 5, and 6. Grade 4 will receive additional support services afterschool beginning Tuesday, January 30, 2014.

**Please submit your *Six Week Math Instructional Plan (Grades 3-6)* by Wednesday, January 22, 2014. This plan will be used to address the deficits and will drive the instruction in our skill intervention program. Your cooperation is appreciated.**

**Math Fluency 8:15-8:40**

Grades 3-6 will complete the **Problem of the Day** during the fluency period and the **math block will begin with fluency**.

Grades K-2 fluency period: 8:30-8:40. The math block will begin with the Problem of the Day.

**It is crucial that we continue with our daily fluency and problem solving activities.**

**FASTT Math:**

**Reminder:** Students in grades 1-6 should use FASTT Math at least three times per week. You will receive your next report the week of February 6, 2014. What are the goals for your students?

**Need additional intervention resources?**
