Benchmark Assessment- Right Reason Technology

Grades 3-5: March 20, 2013

Book 1- Multiple choice only

Please allow your students to complete the **pre-assigned** intervention lessons.

These are the **priority** standards and will help reinforce concepts taught.

Problem Solving- Shift 3 Rigor (Application)

Please make certain that problem solving is incorporated in your daily math lesson. Students should be exposed to a **minimum** of two (2) word problems each day.

<http://thinkingblocks.com>

Great website designed to help students solve math word problems accurately and build strong reasoning skills.

Additional Resources- Kindergarten-Grade 5

PARCC- Vocabulary Practice (located at the back of the assessment guide)

PARCC- Benchmark Assessments

Crosswalk Coach- Cumulative Assessment (End of Unit Domains Grades 3-5)

FASTT Math/Fluency

Henry Hernandez is the **first 2nd grade** student to receive 100% fluency on addition facts. Congratulations! Great job, Mrs. Higgins.

Please remember work on your specified grade level fluencies.

Professional Development

March 11, 2013- Grade 2: Data Analysis

March 13, 2013- Grade 1: Data Analysis

March 20, 2013- Grade 4: Geometry

April 10, 2013- Grades 3-5: State testing- Rubric/testing procedures

New York State Mathematics Testing

Wednesday, April 24-Friday, April 26
