**FASTT Math:**

The next FASTT Math report will be emailed to you the week of December 9, 2013. Please make certain your students are using this valuable tool.

**Go Math- K-6**

**You are now able to upload your class into Think Central.**

**Log on to Think Central:** <https://www-k6.thinkcentral>

- Click classes & students (top of page)
- Under classes click ADD
- Define the class: Use your last name
- Select the grade level
- Select the following products
  - Student Text Book, Student Practice Book, and e-glossary if it is listed under your products
    - **Do not select any additional math products. Students will have access to the technology through their textbooks.**
- Scroll down to the bottom and click **assign students**
- Under **Find Students:** Select the grade level and click find
- Hold down the control button and click on the students in your class
- Click ADD
- Click done

**Students will now be able to access Think Central at home.**

**Soar to Success**

Once you have uploaded your students you can create a class in Soar to Success. Remember, this is an intervention and should only be used with students who are struggling. The easiest way to create a class is to access Soar to Success under your main Resource page.

**Right Reason Technology**

If you have not done so already, please provide your students with their username and password so that they will have access to the interventions provided by RRT.

**User name:** First 3 initials of the student's first name and first 5 initials of their last name

**Password:** Password

**If you have any questions or need assistance please do not hesitate to ask**
