SUPT OFFICE

Dear Dr. Wortham:

AUG15 '22 2:17PM

With the start of a new school year rapidly approaching, I am writing to inform you of the times and locations of the school crossings within your district. These crossings are established in conjunction with arrival and dismissal times of the various schools within your district to provide safe guidance for the children. Please notify, in writing, parents and guardians of these crossing times and locations. We would ask that you encourage your students, parents and guardians to utilize these safe crossing locations and follow the directions of the guards.

We will be conducting a survey of all school crossings covered by our Precinct in order to assess if there are crossings that can be consolidated. We respectfully ask that you work with us in an effort to identify any crossing that is underutilized so that we can re-assign crossings guards to locations that are in great need of them.
