Enclosed are the forms that you need to complete and return in order to enroll your child in the Oasis Achievement Academy. Space is limited - we encourage you to register now!

The application consists of the following forms:

Child & Family Info: This form gives us basic important information that will help to identify you and your child. Please be sure to fill in your child's OSIS # (Online Student Information System). You can find out your child's OSIS # by asking the child's teacher, Parent Coordinator, or Attendance Secretary.

Authorization to Release/Emergency Contact Form: We need to know who should be allowed to pick up your child and who to contact in the event of an emergency if we cannot reach you. There should be at least two names on this page. Even if you allow your child to walk home after the program, you must still list emergency contacts.

Behavioral Guidelines: A parent/guardian and the child must sign this form to agree to comply with the behavioral expectations of the program as related to safety, student participation, and cooperation.

Please return the complete application packet to the main office at your child's school within 48 hours after receipt.

We look forward to having your child join the Oasis Achievement Academy!

Thank you,

The Oasis Team
