Dear Roosevelt Union Free School Community,

The Roosevelt Union Free School District received notice on Friday, October 31, 2020, that a staff member at Roosevelt Middle School tested positive for COVID-19 and will quarantine for the mandated ten days. The last day of attendance for this staff member was Friday, October 30, 2020. We have contacted the Nassau County Department of Health, and they will continue to conduct all necessary Contact Tracing and advise the required staff to self-quarantine.

Out of an abundance of caution, **the Roosevelt Middle School will be closed to in-person/on-site instruction on Wednesday, November 4, 2020. There will be remote learning only for Roosevelt Middle School.** The Roosevelt Union Free School District custodial team will continue their regular regimen.

Our students, faculty, staff, and community's safety and wellness are the Roosevelt School District's foremost priorities. The 2020-2021 school year will set a precedent for working collaboratively to guarantee students' and staff's health and safety.

We are unwavering in our commitment to maintaining a healthy and safe environment. We appreciate your partnership in these efforts.

Regards,  
  
Dr. Deborah L. Wortham
