Our Mission: To Educate the Whole Child to Excel, thereby Ensuring Achievement for ALL.

October 6, 2020

Dear Roosevelt Union Free School District Family,

The Roosevelt Union Free School District's goal is to engage with our community of parents, teachers and learners, to **support** our children academically while keeping them **healthy, and safe**.

We recognize that mitigation measures for COVID-19, serve as an opportunity for our community to rally together in support of our students. These measures help maintain a sense of stability and security, involving actions that **reset the atmosphere**.

It is the promise of the District to **renew the Rough Rider spirit in Roosevelt**, by **resetting the atmosphere**, through reorganizing and sanitizing our District. For this reason, the Roosevelt Union Free School District will work remotely, on Thursday, October 8, and Friday, October 9, 2020, to conduct a deep cleaning in partnership with *Renu* (a restoration, disinfecting and cleaning service). District-wide staff will work remotely from home during this time. The District will return to in-person service on Tuesday, October 13, 2020.

We appreciate your collective support in ensuring that we - our students, faculty and staff operate in an atmosphere of clarity and cleanliness. Roosevelt Rough Riders, thank you for your collaboration and cooperation, as we support the health and wellbeing of one another during these times.

Regards,

Dr. Deborah L. Wortham
