Dear Parent/Guardian of 11th and 12th grade Students,

Among the provisions of the **No Child left Behind Act** is a requirement that secondary schools provide certain student information to military recruiters. Specifically, **§9528 of the No Child Left behind Act** requires that school districts disclose, upon request, the names, addresses and telephone listing of high school students to military recruiters and institutions of higher learning. There is a provision of the law that allows parents and students to request that such information not be released without their prior written consent.

Parents or students wishing to exercise the option to withhold such information without prior written parental consent may do so by signing and returning the form below to the Guidance office no later than Friday, March 18, 2022. The request to withhold the student information is applicable only to the current school year.

If you have any questions regarding the above information, please feel free to contact my office.

Regards,

Matthew Swinson, Principal
